November 12, 2009

Due to delays with retirees receiving this year's open enrollment packets for the retiree health insurance program, the Arizona State Retirement System will continue to accept new enrollments and changes through November 30, 2009.

**Remember, only non-Medicare Indemnity Plan members must re-enroll if continued coverage is desired. All others do not need to take any action if already enrolled in ASRS coverage and wish their coverage to continue; your ASRS coverage will automatically carry forward to 2010.**

All continuing enrollments, new elections and changes become effective January 1, 2010.

All open enrollment packets have been mailed. If you did not receive a packet, please contact us at the email address or phone numbers listed above.
